## 40-foot Mobile Energy Storage Container Customer Support

What is a 40ft containerized battery energy storage system?

AZE's 40Ft containerized battery energy storage system comes in scalable containerized modules ranging from tens of kWh to MWh energy capacities. The solutions offers plug-and-play features that allow rapid installation at low installation costs.

Why choose a 40 ft storage container from national mobile storage?

When a larger, extended construction project demands maximum storage space, a 40 ft storage container from National Mobile Storage will exceed your expectations with durable construction, entry points on both sides, and smart security features. Customers also viewed ...
