
Best quad circuit breaker factory distributor

Where are Dada circuit breakers made?

Dada Electric is based in Shanghai. They make over 160 electrical products, including circuit breakers. Adhering to ISO 9001 guidelines ensures rigorous quality standards throughout the manufacturing process. Global marketing departments promote the Dada brand name across five continents. Their air circuit breakers protect medium-voltage networks.

Who makes Square D circuit breakers?

Square D was initially an American company founded in 1902 in Detroit. It's best known in the UK for its range of plug-in or push-fit circuit breakers. Square D was bought out by Schneider in 1991 and although they changed the appearance of the circuit breakers the later versions will still fit the older boards.

Who makes molded circuit breakers?

Korlen was founded in 1985 in Zhejiang province. They specialize in making molded circuit breakers, fuse-filled breakers, and molded case breakers. Known for its innovative designs, Korlen provides a wide range of products that include other control devices.
