Brightening up your outdoor living area can drastically improve the way it looks, and it might even inspire you to spend more time outside.

How do I choose the best outdoor lighting?

For optimal lighting, consider using a mix of outdoor lights around your property, including ground lights, accent lights just above eye level, and fixtures installed on the roof or above your driveway. For walkways, pathway lights on stakes are a popular choice.

Are solar-powered outdoor lights LED?

Almost all solar-powered outdoor lights are LEDs, with either integrated or replaceable bulbs. Solar lights are overwhelmingly powered by LEDs because they consume significantly less energy than traditional incandescent or fluorescent bulbs, allowing for smaller batteries and longer operational times.

What are outdoor solar lights?

Outdoor solar lights simplify exterior illumination, offering beautiful, functional lighting without the need for wiring. These lights are available in a variety of forms to help improve home safety and security, light up patios and walking paths, or create a cozy glow around your lawn, garden, or pool.
