
Canada Tower 5G Base Station Construction

Does Toronto support a new 5G cell tower?

Etobicoke resident Nunzio Del Giudice speaks at an Aug. 5, 2025 meeting for locals concerned about a new 5G cell tower. Gabe Oatley/TorontoToday Despite Health Canada's guidance on 5G, Coun. Stephen Holyday (Etobicoke Centre) wrote to city staff asking the municipality to tell the federal government that Toronto does not support the project.

Will Etobicoke erect a new 5G telecommunications tower?

Gabe Oatley/TorontoToday In a commercial plaza in Etobicoke, construction is well underway to erect a new 5G telecommunications tower despite the outcry from a group of local residents and their elected officials.

When will shared tower erect a 5G pole?

The installation of the 5G tower is expected to be completed within the next few weeks, said Shared Tower's senior planning manager Cheyenne Zierler in an emailed statement. When TorontoToday visited the commercial plaza on Wednesday, a worker at the site said he expects the crew to erect the pole on Monday.

Will 5G telecommunications tower be a threat?

Some residents have protested the tower over alleged health concerns, but Health Canada denies 5G technology poses any threat. Workers make preparations to erect a 5G telecommunications tower in the parking lot of a commercial plaza at 460 Renforth Dr. on Sept. 24, 2025. Gabe Oatley/TorontoToday
