
Dominica Folding Container Long-Term Type

What are duragreen® collapsible bulk containers?

DuraGreen® collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.

Can collapsible bulk containers be stacked upright or collapsed?

All of our collapsible bulk containers can be stacked upright or collapsed-- saving you valuable warehouse space, whether the bins are in use or in storage. Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications.

How do duragreen® collapsible containers fold?

DuraGreen® collapsible containers fold easily, and their doors are made with fully articulating hinges that allow an open door to lay flat against the side of the container for tighter, safer storage.

What size is a collapsible bulk container?

Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications. 32" x 30" bulk containers are ideal for handling, storing, and moving various dense small-to-medium-sized parts.
