# Huawei Seoul Industrial Energy Storage Cabinet Supplier

What is Huawei C&I storage?

Huawei's C&I storage systems are certified for both low voltage and medium voltage grid connection and are redefining the ESS landscape, together with the LUNA2000 series and with Smart PCS LUNA2000-100KTL-M1 100 kW converter. Offering innovative battery management solutions, Huawei has placed emphasis on safety and performance optimization.

What makes Huawei a good battery management company?

Offering innovative battery management solutions, Huawei has placed emphasis on safety and performance optimization. Batteries are the heart of every storage system and are also subject to risks such as over- and under-discharge or over- and under-temperature.

What services does Huawei offer for solar business owners?

We offer extended services for solar business owners, including technical support, device maintenance, and spare parts replacement. Join Huawei's Smart PV Community as an installer for tailored support, resources, online courses, redeemable points, training, and collaboration opportunities to enhance your services and customer satisfaction.
