# Koten safety breaker factory in Kuwait

Who is koten enterprises?

KOTEN ENTERPRISES COMPANY, INCORPORATED was established in 1987 as a trading company. Expanded our operations as an importer, exporter, distributor, and wholesaler in 1997.

What makes Koten a great company?

Today, Koten represents persistence, innovation, and integrity, staying true to its founding values while setting new benchmarks in the Philippine electrical market. With a clear vision for the future, the company continues to shape industry standards and exceed client expectations.

What is KSB-s safety breaker?

KSB-S Safety Breaker is a MCB or MCCB that is enclosed in a flame-retardant, impact-resistant plastic enclosure. It is used for indoor applications and is applicable for RCBO, plug-in, and bolt-on type circuit breakers. It is also optional with a socket outlet that has a rated current of 50A. Single Pole 2 way switch varies from 1 to 4 gangs.

How did Koten start?

Starting as a trading company, it became a wholesaler in 1992, with circuit breakers as its first product--sparking rapid market growth. Over time, Koten expanded into importing, exporting, distributorship, and contractor services, bridging supply chain gaps and providing integrated solutions under one roof.

Mirola Hardware offers Koten electrical products, including universal outlets and safety breakers, suitable for various industrial and construction needs.

We are one of the leading manufacturers and distributors of electrical products and components. We put a premium on products, systems, and services with an efficient nationwide distribution.
