
New Zealand Folding Container 15kW

Where can I buy a container in New Zealand?

TITAN is here to make your search for new containers for sale or used containers as stress-free as possible. Huge New Zealand-wide network of depots to keep your delivery costs down. Small to large containers. Plus, high cubes, offshore containers and more. Thousands have trusted us for their storage solutions since 1987.

Do you supply stand-alone shipping containers to the New Zealand market?

We also supply a wide range of stand-alone shipping containers, including all sizes and configurations, to the New Zealand market. We saw a need in the New Zealand market for a strong, durable and secure structure which can be larger than a shipping container alone.

What is a flat rack container?

Flat rack containers are your go-to solution. These containers feature collapsible ends, allowing for easy loading and unloading of goods that exceed the dimensions of standard containers. Whether you're shipping machinery, vehicles, construction materials, or oddly shaped items, flat rack containers provide the flexibility and strength you need.
