## Nuku alofa solar street light manufacturer

Who makes solar street lights?

Sunmaster has over ten years of experience as a manufacturer of solar street lights. Hundreds of roadway lighting solutions, solar yard lighting solutions, and commercial solar street lighting solutions have been provided by the company. Sunmaster is based in Jinhua, Zhejiang.

How many solar streetlights does sokoyo make?

Besides solar streetlights, it also produces small and medium solar generating systems, solar garden lights, etc. In addition, Sokoyo has 4 factories in China and 2 in other countries. It has production workshops of 80,000 square meters. It produces over 100,000 solar streetlights yearly, making it one of China's biggest manufacturing companies.

What is Nomo solar streetlights?

This company is well known for its tunnel lights, besides solar streetlights. Its name is listed in the biggest LED tunnel lighting project that is worth over 20M USD. Besides, in 2014, NOMO developed solar controllers and battery technology. This year, the Pakistani government aimed to deploy 150,000 solar streetlights.

Where to buy solar street lights in China?

For instance, you can choose LEADSUN, which has produced the best quality and durable street lights for 13 years now. Also, SOKOYO can be another option as it is China's biggest solar lights manufacturer company and supplies its products to over 70 countries. However, if you want a company with a high-tech enterprise certificate, go for SreSky.
