What is a Jackery solar generator?

Jackery Solar Generator 300 Plus 40W combines Explorer 300 Plus Portable Power Station and SolarSaga 40 and is suitable for RV, camping, and other outdoor activities. The solar panels absorb the sun's energy to convert it into electricity, which is then stored in a portable power station.

Can a solar power station be used as a generator?

However, using one effectively is a little more complicated than many people realize. Technically, these units are electric power stations--giant battery packs, with the ports you need to plug in solar panels for charging. They can't actually harness solar power--and thus, act as a generator--unless you have both.
