
Solar System Home Photo Generator

Can I use the images generated by PlanetMaker?

Yes, you can use any images generated using PlanetMaker for free in any medium. I just ask that attribution accompany the image when used in articles or where possible, to allow others to find the sources of data used within PlanetMaker. Sources: Planet Textures: Celestia, NASA

What can you do with PlanetMaker?

PlanetMaker allows you to create and tweak your own planet using image textures, lighting, and more importantly, your imagination.

How can I modify lighting in PlanetMaker?

You can: Change the surface and clouds images Modify lighting and atmospheric properties Add and adjust rings Upload your own custom surface textures by clicking "setCustomTexture"; View Controls: PlanetMaker uses mouse and keyboard based navigation controls, similar to those in Google Earth.
