What is a rover Li 100 power station?

We're unable to get our hands on any more of these. Good news though! The Rover Li 100 Power Station by Companion is built for the rumble and tumble of outdoor ventures beyond the metropolitan maze. Your perfect point of power, this station provides eight energising outlets catering for cigarette sockets, Grey Anderson plugs, and USBs.

This power station includes a 100Ah lithium battery with 100A continuous discharge BMS (enough to run a 1000W inverter). Plus 20A DCDC charger for simple recharging.
