
Wholesale 50kw solar inverter in Canberra

Where can I recycle solar panels & inverters in Victoria?

In Victoria, this type of waste is considered e-waste and is banned from landfill. To find out where you can currently recycle solar panels and inverters, refer to your council's waste and recycling information. Solar panels, inverters and batteries can contain valuable materials like lead and rare earth metals.

Where can I buy a solar inverter in Australia?

Goulburn Solar, located at Shop 7, Hume Lifestyle Precinct, 102 Hume Street, Goulburn, NSW, 2580, Australia, sells solar inverters. You can contact them at quotes@goulburnsolar.com.
