# Zimbabwe Outdoor Portable Power Supply Enterprise

What is the power source in Zimbabwe?

The power source in Zimbabwe is sourced from local generation and imports. Local generation comes from Kariba Hydropower, Hwange coal-fired power Station, and three small thermal power plants. Domestic generation comes from Kariba Hydropower, Hwange coal-fired power Station, and three small thermal power plants. Supplementary power is imported from Mozambique, Democratic Republic of Congo (DRC), and Zambia.

Why is UAPOW AP series so popular in Zimbabwe?

The demand for portable power solutions has surged in Zimbabwe due to frequent power outages and the need for reliable energy sources. The UAPOW AP Series has been well-received in the market, with positive feedback from users who appreciate the convenience and reliability these power stations offer.

What is a UAPOW portable power station AP series?

The UAPOW Portable Power Stations AP Series is a testament to innovation and practicality. Whether you are an outdoor enthusiast, a digital nomad, or someone looking for a reliable backup power source, these power stations offer a versatile and dependable solution.

What is a UAPOW AP400?

The UAPOW AP400 offers a slight upgrade with a 345Wh battery capacity and a 500W output. It includes advanced features like wireless charging and an uninterruptible power supply (UPS) function. Ideal for outdoor enthusiasts and digital nomads, the AP400 provides reliable power for laptops, cameras, and other essential devices.
